Innovating “unsecured” rapid credit as a No-Cost-No-Risk “Employee Benefit”

Introduction

Employee Benefit: NCA Governed Staff Loans

It is very difficult and legally complicated for companies to offer loans to staff in times of need. It depletes cash-flow and the risk is to the employer if such a loan is defaulted on.

After COVID19, so many families are helplessly in financial trouble, with limited access to formal bank credit. Many resort to sketchy loan sharks, predators who keep people in the hole and forever drain their income, making it near impossible to recover.

With Vecto HR can step-in & come to the rescue!

VECTO solves many of these challenges for

The 'Real' Cost Of Finance

Consumers are seldom properly informed about the real cost of credit, misled by seemingly low interest rates, or even lower monthly instalments, yet ending up paying a lot more in the long run. Lets look at real life case study, Mr Cloete who needs a new fridge which costs R5500.

Depending on who he borrows from, his fridge could cost in excess of R14000, after accounting for interest, fees and other charges.

	Lender A (Bank)	Lender B (Bank)*	Lender C (furniture store)	VECTO
Loan amount	5500	5500	5500	5500
Deposit upfront	0	0	550	0
Term	18 months	18 months	36 months	18 months
Interest rate	25.75%	24.00%	21.75%	25.00% ~
Monthly repayment	R513	R504	R383	R476
Total repayment	R9 239	R9 076	R14 338	R8 565
With VECTO he SAVES	R673	R511	R5 773	^^ best ^^

*Credit Life is a compulsory add-on. Vecto loans don't have any add-ons.
